

***LOWER
YOUR
TAXES***

***INCREASE
YOUR
IMPACT***

This year your giving to Hagee Ministries is enabling us to help more people than ever through our humanitarian, medical and ministry activities. And now when you give to Hagee Ministries it will actually help you lower your taxes more than ever!

This year, due to the CARES Act, you can now deduct 100% of your charitable giving. This is up from 60% in previous years. The more you give, the more ministry we can do for those that are in desperate need... and the more you can deduct from your taxes.

This tax incentive is only available for donations made before December 31, 2020. There is no better time to give to Hagee Ministries than today.
